- With all the widespread OHV closures, knowing where to go and how to get the best out of your riding day is now more valuable than ever before.
- We have scouted out the best routes and eliminated the dead ends, private property fences and U-Turns at closed routes.
- Since you will be self-navigating the route with GPS Tracks, there is no official start time, you may start any time you wish, though typically we like to see everyone on the trail before 9 am.
- We do not ride in large groups. We insist everyone use the [Buddy System](#) and look out for each other throughout the day.

The Great Sand Dunes Hot Springs Loop will be limited to 25 club members in '23. [SIGN-UP LINK](#)
